Reference Letter

This reference letter is issued to Maksim Grigoriev, who completed an internship at Liga A. from 07.03.2024 to 09.01.2025.

During the internship, Maksim deepened and consolidated his theoretical knowledge in the field of front-end development.

He demonstrated a strong work ethic and enthusiasm. He showed a particular interest in researching and learning new tools to solve assigned tasks.

Throughout the internship, Maksim successfully completed all required tasks and maintained discipline. He actively collaborated with all team members and contributed ideas for solving tasks of varying complexity.

The internship had a positive impact on the preparation of a future specialist, broadened his horizons, and helped him integrate theoretical knowledge with practical experience.

As a result of the internship, Liga A. recommends Maksim Grigoriev as a responsible, proactive, and diligent employee
